Hello Rebels!
Grade 8 Mixer Recap

We're thrilled to announce that the Grade 8 Mixer was a huge success! Thank you to all the grade 8's that attended and all our volunteers that made it possible. Many of our new students had the chance to meet, connect, and form friendships as they embark on their high school journey. The event was a hit with games such as Are you smarter than a 7th grader and a fun frog jumping game!

Students also enjoyed a variety of snacks such as hotdogs, chips and juice boxes. A highlight of the event was the election of our Grade 8 Representatives for Burnaby South's Student Government. A big congratulations to Kiera Cao and Alexis Chen, our newly elected Grade 8 Representatives! We are excited to welcome them to the Student Government family and look forward to their leadership.

Lastly, a quick reminder to pay your student fees if you haven't already! These fees allow us to host amazing events like this one free of charge for participants.

Thanks again for making the Grade 8 Mixer a fantastic time!

ELL SG New Representatives of 2024/2025

We're excited to welcome these fresh faces to Student Government and wish them all the best as they step into their new roles.
