## DEAFBLIND AWARENESS MONTH

Deafblind Awareness Month aims to promote a better understanding of the challenges faced by deafblind individuals and to celebrate their unique abilities and contributions to society.

Awareness is made possible by lighting landmarks across our country in blue and participating in yarn bombing to foster connections and unite a community with individuals, service and advocacy groups in the field and the wider global public.

For more information, please contact:

### June is Deafblind Awareness Month!

This year is the 50<sup>th</sup> anniversary of the Canadian Deafblind Association (National). There are a lot of things happening in June and Deafblind Awareness Month is one of them. You may notice some landmarks around the province lit up in blue to recognize Deafblind Awareness month. Yarn bombing is also something Deafblind Associations do to raise awareness about Deafblindness and the need for resources, services and accessibility. BCSD students will be yarnbombing the front entrance of the school by wrapping student made pompoms around the trees and attaching an explanation they can read.
