Accessibility in Burnaby Schools

The Burnaby School District is committed to creating an inclusive and accessible learning environment for all students and families. Part of this commitment involves working with community to help inform our work.

You may not be aware that the District has advisory and working committees to gather information about accessibility and assist in identifying barriers in the District. We encourage feedback. You can find information about how to share your feedback via an online form, email, phone, or regular mail [here](#), where you can also learn more about Accessibility in Burnaby Schools.

We welcome your input to help us improve accessibility across our schools and programs.

CNML #3 (Canadian National Mathematics Contest) will take place on **Tuesday, December 9th**. For more information, please see Mr. Marzouk in A207.

Student, please note the following changes in the Library during Flex time.

- Library doors will be closed 5 mins after Flex starts. (effective this Wednesday, Nov. 26)
- Students in here are working quietly (homework, reading)

- Computers are for **schoolwork only**
- There'll be **no checking out of library materials during Flex**

Important

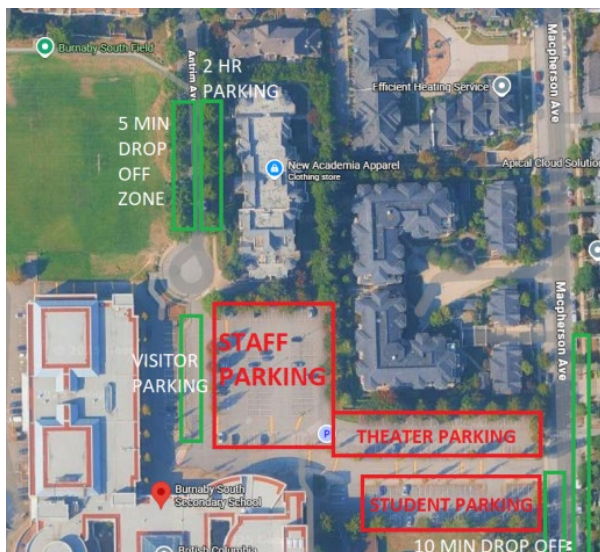

Drop Off and Pick Up Reminders

Safety Reminders for Student Drop Off and Pick Up:

Recently we have observed safety concerns in the school's main parking lot during morning drop off and end of the day pick up of students. Excessive traffic in the parking lot, as well as cars blocking passageways elevates the risk of accident and injury. I would like to highlight some important reminders for parents/guardians during drop off and pick up times:

- There are 2 designated student drop off and pick up zones. One is on Antrim Street and the other is on Macpherson Street. They are highlighted in green on the map below.
- There is also designated visitor parking adjacent to the main parking lot and is highlighted in green on the map below.
- Please do not enter the staff, theatre or student parking areas for student drop off and pick up.
- Please do not park in the fire lane at the front entrance of the school as this needs to remain clear for emergency services.
