GIRLsmarts4tech

Join us for an exciting UBC GIRLsmarts4tech x LMI Technologies in-person event for a behind-the-scenes look at how cutting-edge sensor technology is built – and the people who build it!

Kick the day off with a **hands-on sensors workshop**, where you learn by experimenting yourself. Then, **tour the LMI office** to experience the fun day-to-day work life.

Before you go, hear from team members across different departments:

- Join the **HR team** for helpful tips on how to build a strong resume.
- Get to know how the **IT team** protects against cybersecurity threats, like phishing.
- Interested in coding? **Software Engineers** share their career journeys and advice.
- Learn what sensor software does from **Research & Development Engineers**.
- **Project Managers** give you a peek into planning and delivering sensor projects.

If you're interested in a career in tech or you just want to explore working in industry, this event is for you! **No prior experience needed** — just curiosity!
