Course Verification timeline: April 17th - April 24th.

This year's course verification will be completed via Myed and a Microsoft form link provided to you. There will be no paper copies for verifications.

You will need to log into your Myed account and look at your requests. If the courses, you see are the ones you want then you don't need to do anything. If you are requesting a change then you will click on the link and make your requests beginning **April 17th**.

The student portal (MyEdBC

<https://myeducation.gov.bc.ca/aspn-login/?deploymentId=aspen>)

is open from **Friday, April 17th to Friday, April 24th** for students to verify their course selection for next year's courses.

IT IS THE STUDENTS' RESPONSIBILITY TO LOG ON TO THE MYED SYSTEM to confirm that their course choices for next year are correct.

Please make sure that you are able to log in to the student portal *before* verifications.

If there are errors in your course selection, complete the online change form by **3:00 PM ON Friday, APRIL 24th, 2026**.

This is the **LAST** opportunity for you to amend your requested courses. Please note that while we do our best to place students in their requested courses, it may not always be possible.

Please use the link below for any changes:
